## INTRODUCTION

Previously I worked as a part-time Back-end Developer at a company while studying at university. After graduating, I had a dream that I wanted to make come true, I decided to take a gap year, and now I'm back with my new things.

## SKILLS

**Language Programming:** JavaScript, HTML, CSS.  
**Frameworks/Libraries:** ReactJS, NextJS, Tailwind, React Query, Redux/Redux toolkit  
**Tools:** GitHub, Figma.  
**Additional Skills:** Web design, Back-end Developer.  
**Language Skills:** English (Basic communication skills, able to read documents and follow online courses), Vietnamese native.

## WORK EXPERIENCE
